BEDDING - We will no longer be accepting Large Beds or Bedding. If it cannot easily go into the washing machine – it will not be accepted. We are supplying more cots for the kennels which are easily sanitized and minimum risk of chewing and consuming.

FOOD - Please bring just enough food for the stay. Small containers and pre-bagged are great. If you're only staying a few days, please do not bring a large bag as our space is limited.

BOWLS – Please do not bring your dishes or bowls unless a special needs feeder. By law we have to clean and sanitize dishes daily and it will be difficult to keep up with yours.
